**- Serving The Elderly -**

## Accommodations-

- Friendly staff 24 hours a day
- Transportation to and from appointments and activities
- Health and Medication Monitoring Personal Attention and Assistance with daily cares

- Weekly housekeeping and laundry services
- "Just like Home" meals and snacks

Residents enjoy home cooked meals in a family like setting. Meals are prepared with special care, fresh fruits, vegetables and meats add to our residents' healthy quality of living. Honoring special diet needs and requests are a promise.

Laughter and reminiscing are served with our delicious desserts and contribute to the special feel of home. Residents can choose from a wide variety of daily social activities and events.

## Activities-

Planned activities are daily events and residents are encouraged to participate in these planned activities and are also invited to relay special event entertainment requests to staff and management. Events and activities include but not limited to:

- Exercise and stretch programs
- Bus adventures, shopping, tours
- Gardening
- Arts and Crafts
- Music
- Group Discussions and Games
- Church and Religion Services

## Housing-

Chamomile offers several spacious and affordable floor plans from which you can choose. Designed and developed to accommodate the mature resident, the apartments are contemporary, affording security and privacy to residents.
